Subject: Gear up the recovery machinery to achieve recovery target.

Sir,

Please refer to this office letter No.Q-1 1/24/AudiV2006/RRC dated 03.07.2024 regarding fixation of revenue recovery target for the year 2024-25. In this regard, it has been observed that most of the regions are lagging behind and has not been able to achieve the revenue recovery target fixed for the FY 2024-25.

In view of the under performance of the revenue recovery, it is advised to look into the matter and advise Recovery Officer to gear up the recovery machinery to achieve the annual recovery target. The Recovery Officer may also be provided with adequate manpower and logistic support so that desired revenue recovery target could be achieved in your region.

This should be accorded "Top Priority"

This issues with the approval of Joint Director(Revenue)

Yours sincerely

(Rakesh Chauhan)
Dy. Director
